Sa passenger ni Papa sa grab na nagbayad nito sa kanya. Di ko alam kung sinadya mo magbayad ng lumang pera or hindi. Kung na short man kayo magsabi nalang po ksi nagbibigay naman ng free ride si Papa. Mahal na po gasolina ngaun at napahiya si Papa kanina sa petron nung binayad nya kasi di nya din napansin na lumang bills na ung binayad sa kanya kasi matanda na father ko. 😔

P5,000 FOR A GUNMAN?

Sinabi ni Vice President Sara Duterte kung gaano kadali mag-hire ng gunman sa Pilipinas sa halagang ₱5,000 lamang.

Sa kanyang speech sa 'Free Duterte Now' rally, binigyang-diin ng Bise ang malalang kaso umano ng gun violence sa bansa, kaya't hindi rin aniya tiyak kung totoong mga biktima ng drug-war ang mga nasa listahang hawak ng International Criminal Court. | DZRH News

In the 15th century, St. Frances of Rome was granted a terrifying vision of the afterlife—one so disturbing it was carefully recorded by her confessor, Giovanni Mattiotti.

What she saw was not chaos, but a terrifying order: a realm of torment divided into sections, where every punishment perfectly matched the sins committed on earth.

But the most shocking part? Among the damned, she saw not only ordinary souls—but religious: priests, monks, and especially nuns and consecrated women who had once professed sacred vows… yet proved unfaithful to them.

She described a particular section reserved for those unfaithful to the vow of chastity. These souls had made solemn promises of purity before God, yet had betrayed that consecration through hidden sins of impurity, whether in thought, word, or deed. She also saw religious who lived hypocritically—appearing devout and holy on the outside while their interior life was marked by pride, tepidity, or serious unrepented sin.

Her visions emphasize a profound spiritual principle: those who receive greater graces carry greater responsibility. Consecrated persons, having been given special lights, sacraments, and the grace of their vocation, face stricter judgment when they deliberately turn away from God's call.

The torments she witnessed were intense and tailored — a stark reminder that external religious observance without genuine conversion of heart is not enough for salvation.

Lord Jesus, have mercy on us. Amen! 🙏

In the Gospel of Mark (3:28-29), Jesus gives us one of the most solemn warnings in all of Scripture...

“Amen, I say to you, all sins and blasphemies will be forgiven the children of men. But whoever blasphemes against the Holy Spirit will never have forgiveness, but is guilty of an everlasting sin.”

So what is this “unforgivable sin”?

The Catholic Church teaches that it is not a single word or a one-time act that God refuses to pardon. Rather, it is the deliberate and final refusal to accept God’s mercy—a hardened heart that rejects the Holy Spirit’s call to repentance until the very end of life.

As the Catechism of the Catholic Church (CCC 1864) explains: “There are no limits to the mercy of God, but anyone who deliberately refuses to accept his mercy by repenting, rejects the forgiveness of his sins and the salvation offered by the Holy Spirit. Such hardness of heart can lead to final impenitence and eternal loss.”

The Church has traditionally identified six sins against the Holy Spirit:

The Church has traditionally identified six sins against the Holy Spirit:

- Despair of being saved
- Presumption of being saved without merit
- Opposing the known truth
- Envying another’s spiritual graces
- Obstinately remaining in sin
- Final impenitence

These sins are called “against the Holy Spirit” because they attack the very goodness of God — the special attribute of the Holy Spirit — and are committed not out of weakness, but through pure malice.

St. John Paul II (in his encyclical Dominum et Vivificantem, no. 46) adds this powerful insight:

“Blasphemy against the Holy Spirit does not properly consist in offending against the Holy Spirit in words; it consists rather in the refusal to accept the salvation which God offers to man through the Holy Spirit, working through the power of the Cross.”

Thus, the sin against the Holy Spirit cannot be forgiven—not because God is unwilling to forgive, but because a person refuses to accept His mercy and forgiveness.

Come, Holy Spirit — and renew the face of the earth… beginning with us. Amen! 🙏

Mukhang tuloy na tuloy na talaga ang Pax Silica. Isinama na mismo ng Pangulo sa 2026 SONA ang Pax Silica Industrial Hub bilang bahagi ng Luzon Economic Corridor at ng global AI and technology value chain. Hindi ibig sabihin nitong final na ang lahat ng kontrata at kondisyon, pero malinaw na isa na itong prayoridad ng administrasyon—kaya ang laban ngayon ay hindi lang protesta kundi mahigpit, tuloy-tuloy at dokumentadong pagbabantay.

• DENR-EMB: I-require ang programmatic environmental impact assessment o katumbas na cumulative-impact review para sa buong 1,620-hectare zone. Hindi sapat ang paisa-isang ECC kung walang sumusukat sa pinagsamang epekto sa tubig, enerhiya, hangin, basura at mga komunidad.

• BCDA: Ilabas ang final lease agreements, eksaktong boundaries, government contributions, infrastructure obligations, incentives, performance targets at termination clauses—subject lamang sa makitid at lehitimong redactions. Public land ito, hindi private group chat.

• COA: Suriin ang paggamit ng pampublikong lupa, pondo, infrastructure, lease concessions at iba pang government contributions. Hindi

• COA: Suriin ang paggamit ng pampublikong lupa, pondo, infrastructure, lease concessions at iba pang government contributions. Hindi maaaring gawing panangga ang “commercial confidentiality” kapag public assets ang nakataya.

• DENR-EMB at LGUs: I-publish nang regular ang water consumption, wastewater quality, emissions, hazardous chemicals, spills, violations at waste-disposal records ng bawat locator. Ang compliance report na nakatago sa filing cabinet ay dekorasyon lamang.

• MGB at DENR: Kung gagamit ng critical minerals mula sa Pilipinas, dapat matunton ang buong supply chain—saan nagmula, sino ang nagmina, anong permit ang ginamit at anong komunidad, watershed o protected area ang maaaring maapektuhan.

• NWRB, DOE at ERC: Bantayan ang konsumo sa tubig at kuryente. Hindi dapat mauna ang data centers at factories habang nagkukulang ang mga bahay, sakahan at maliliit na negosyo.

• DTI, BOI at iba pang investment agencies: Itali ang incentives sa malinaw na local-hiring, local-procurement, technology-development at export commitments. Kapag hindi naabot ang targets, dapat may clawback, suspension o termination—hindi endless extension at bagong press release.

• DOLE: Tiyaking totoong high-value at disenteng trabaho ang nalilikha para sa mga Pilipino—may tamang sahod, security of tenure, occupational safety at malinaw na career progression. Hindi puwedeng assembly-line work na nilagyan lang ng “AI” sa job title.

• DOST, CHED at TESDA: Igiit ang binding scholarships, apprenticeships, university partnerships, research funding at training targets. Ang layunin ay umangat tayo mula assembly at testing patungong design, research, software integration at advanced engineering.

• Kongreso: Magdaos ng regular at public oversight hearings tungkol sa kontrata, incentives, environmental impact, labor commitments at national-security implications. Huwag hintaying may spill, displacement o anomalya bago maalalang may oversight power pala.

• NCIP at mga apektadong komunidad: Kapag may ancestral domain o Indigenous Cultural Communities na maaapektuhan, dapat sundin

Jul 30, 2026 10:05:20

• NCIP at mga apektadong komunidad: Kapag may ancestral domain o Indigenous Cultural Communities na maaapektuhan, dapat sundin ang buong proseso ng free, prior and informed consent. Para sa lahat ng komunidad, kailangan ang tunay na konsultasyon, access sa impormasyon, grievance mechanism at epektibong remedyo—hindi attendance sheet, PowerPoint at libreng merienda.

• Independent auditors at civil society: Dapat may environmental at performance audits na walang financial relationship sa developers o locators. Hindi puwedeng ang kumpanya rin ang magbibigay ng exam, sasagot at magche-check ng sarili nitong papel.

• Media at publiko: Sundan ang permits, annexes, procurement, water rights, power requirements, violations at supply chain. Huwag magpaloko sa futuristic render, AI font at ribbon -cutting. Ang tunay na development ay may numero, deadline, audit at mananagot.

Mukhang hindi na sapat ang simpleng “No to Pax Silica.” Kapag itinulak ito ng gobyerno, ang tungkulin natin ay tiyaking walang secret deal, walang blank check, walang libreng polusyon at walang industrialization na Pilipino ang lupa, tubig at pawis pero banyaga ang kaalaman at tubo.

Jul 30, 2026 10:05:22

Ang sukatan ay simple: umaangat ba ang Pilipino sa value chain, napoprotektahan ba ang kalikasan at komunidad, at nananatili bang sakop ng batas ng Pilipinas ang bawat kumpanyang papasok?

Kapag umabot na sa SONA, hindi na sapat ang pumalakpak o tumutol—oras nang bantayan ang bawat kontrata, permit at pangako.

“Nagadanaw bisan ma-init ang panahon?”
#LOOK: Nagatihin ang mga pasahero antes magsakay sa jeep sa idalum sang overpass sa San Rafael, Mandurriao

ILOILO CITY — Nagakatin-katin ang mga pasahero antes magsakay sa jeep sang Oton nga nagapamasahero sa idalum sang overpass sa San Rafael, Mandurriao.

Ini tungod sa danaw—mainit man ukon maulanon nga panahon may danaw gid sa amo nga karsada.

Ang danaw sa parte lang sang in-bound nga karsada ukon ang padulong sa direksyon sang Infante flyover.

Ang danaw kon kaisa naga-ilig man tubtob sa unahan sang overpass gani nagalapta ang basa sa karsada.

Ginpalab-ot na sang estasyunan sa Iloilo City Government kag sa DPWH Iloilo City District Engineering Office ang concern para sa kaathagan kag solusyon.

Pebbles Talakera 6NA

Nasaan sila?

For three months na sila ang laging kasama ni Mima Alicia bakit wala sila sa burol kahit isang araw lang?

Bakit nakapunta yang Adrian Sotto Guevarra sa bahay ni Mima Alicia para kumuha di umano ng pera pambayad sa ospital. Pero hindi nakapunta sa burol kahit isang beses.

Sino nagturo mag drive kay Mima Alicia at sino ang nagturo sa kanya bumaril? Meron siyang pictures na nag shu-shooting siya.

At bakit hindi sila makipag coordinate sa mga police. Bakit bigla silang naglaho? Ngayon na gumagalaw kami para hanapin sila, bigla may magpupunta sa Barangay para tanungin ako.

Paninindigan ko pa din na tanım eksena ang ginawa nila kay Mima para malihis ang issue sa politika at relihiyon. Pero paano malilihis sa relihiyon eh same religion silang mga suspects?

Yes, the ex and the present boyfriend are from BAYBAY NORTHERN SAMAR. Hindi yun nagkataon lang, at hindi rin nagkataon na pareho sila ng relihiyon.

Jul 30, 2026 10:10:07

Yes, the ex and the present boyfriend are from BAYBAY NORTHERN SAMAR. Hindi yun nagkataon lang, at hindi rin nagkataon na pareho sila ng relihiyon.

Nung lumipat ng bahay si ALICIA sa Caloocan, hindi si Alicia ang nagdesisyon na lumipat, hindi alam ni Alicia yung lugar na yun sa CAMARIN. At ikinagulat din ng mga kapitbahay na may kasamang babae yung boyfriend niyang bading dahil nung nakipag-usap siya sa may-ari ng bahay ay siya lang mag-isa. Bakit kailangan niya ikandado si Alicia sa loob ng bahay kapag lalabas yung boyfriend niya? Anong dahilan?

This is my opinion at paninindigan ko toh. Tinaniman si Mima Alicia para lumabas na hindi politics ang dahilan. Sa palagay niyo ba ilang buwan palang sila naging mag jowa nung boyfriend niya. Mali yung salaysay nung Adrian Sotto Guevarra na last year pa umalis sa motor trade business niya yung boyfriend ni Alicia at nagtayo sila ng sariling business. NA-WRONG KA DIYAN SA SCRIPT MO.
Ang boyfriend ni Alicia last year ay si Kyle Ciu na sinampahan niya ng kaso.
3 months pa lang sila nung boyfriend niyang bakla na tinanim niyo kay Alicia para lumabas na scam or loan or achuchuchu.

Jul 30, 2026 10:10:16

Nung naisip ni Alicia na gumawa na ng

Nung naisip ni Alicia na gumawa na ng LOAN AGREEMENT tinumba niyo na. At yun yung timing na dapat na siyang itumba….di ba! Di ba yan yung script?

ANG TANONG? NAHULI BA KAYO?

BAKIT IMBES NA PHONE NI MIMA ALICIA ANG KUNIN NIYO, BAKIT YUNG PHONE NG BOYFRIEND? BAKIT FROM ADRIAN ANG PAGKAKAKİLALA SA YO NI ALICIA AY “ALLAN”, at NAGKATAON LANG BA NA ANG PANGALAN NG BABAENG YAN AY “SARA”

WOW NAMAN, SARA and ALLAN….lakas maka-alyado ng pangalan.

Lahat toh reported na kay Charlie. Hihintayin na lang namin yung special task force na binuo para mahuli ang mga suspects and we hope kasama itong dalawang toh at ang shoklang bf ni Mima.

Yung papel sa ibabaw ng table ay contract ng loan. At yung pinakalat na screenshot na 2.5 million? Is part of the script….alam na alam ko sino magaling gumawa ng ganyang script….

CHARGES VS. TELEGRAM FOUNDER

Sinampahan ng charges ng Federal Security Service (FSB) ng Russia ang founder ng messaging app na Telegram na si Pavel Durov dahil sa pag-facilitate umano ng terrorist activities.

May kinalaman ito sa umano'y kabiguan ng Telegram na tanggalin ang ilang material na ginamit umano ng Ukrainian special services at terrorist at extremist organizations para sa planong acts of sabotage at terrorism, mass killings, at cyber-fraud operations sa Russian Federation.

Naglabas na ang FSB ng international warrant para sa pag-aresto kay Durov. | via Reuters

WALANG "CEASEFIRE"

Tinabla ni Sen. Ping Lacson ang alok na "ceasefire" matapos niyang isiwalat ang mga umano'y anomalya at double billing sa mga infrastructure projects sa Taguig City, na kilalang bailiwick ni Sen. Alan Peter Cayetano.

Ayon kay Lacson, panlilinlang lamang ang hiling na tigil-putukan upang muling makapag-ipon ng lakas si Cayetano na una nang umatake sa kanyang integridad at net worth.

Giit pa ng senador, naipasa na niya ang mga ebidensya sa Ombudsman at nakatakda nitong ilahad ang buong detalye ng mga iregularidad sa pagdinig ng Senate Blue Ribbon Committee.| via #MOJO Marymon Reyes

According to some published accounts of the mystical visions attributed to Blessed Anne Catherine Emmerich (1774–1824), she was shown the spiritual consequences of division within the Church.

In these accounts, she reportedly saw Martin Luther among the condemned and was shown that his rebellion against the unity and authority of the Church had grave spiritual consequences. The visions also describe confusion, division, and the spread of false teachings that resulted from the Reformation, emphasizing the importance of remaining faithful to the Church founded by Christ.

These accounts have been widely circulated for many years, but it is important to understand their context. Much of Anne Catherine Emmerich's visions were written down by the poet Clemens Brentano, and historians have debated how closely the published texts reflect her exact words.

Most importantly, this is not a doctrine of the Catholic Church. The Church has never declared that Martin Luther is in hell, nor are Catholics required to believe any private revelation, even those attributed to saints or blesseds. Final judgment belongs to God alone (Romans 14:10–12). Catholics are free to accept or reject

judgment belongs to God alone (Romans 14:10–12). Catholics are free to accept or reject private revelations, provided they do not contradict the faith, because they are not part of the deposit of faith entrusted to the Church (see Catechism of the Catholic Church 66–67).

OFWs in the Echo Chamber: Sara Duterte's Global Disinformation Tour

Paikot-ikot si Sara Duterte sa mga OFWs dahil alam niyang malaki ang impluwensiya ng echo chambers na pinapatakbo ng mga vloggers at bloggers na nagsisilbing pangunahing source ng impormasyon ng marami sa kanila. Sa political psychology at media studies, ito ay eksaktong halimbawa ng selective exposure at agenda-setting, kung saan ang iisang narrative na paulit-ulit na ibinobomba ay nagiging parang katotohanan at nagagamit niya para ipakita ang pekeng global support.

EDITORIAL

Budget watch

As approved under the National Expenditure Program, the executive is expected to propose P7.2 trillion for 2027 – an increase of six percent from this year's national budget.

After the flood control scandal erupted, both chambers of Congress moved to promote transparency in the budget process. They also scrapped the controversial politicized Ayuda para sa Kapos ang Kita Program or AKAP, but retained other aid programs where they can still have a say, particularly the Medical Assistance to Indigent and Financially Incapacitated Patients. Medical and healthcare groups have decried MAIFIP as a medical pork barrel.

But even before the flood control mess, the budget process was already challenged before the Supreme Court after the 19th Congress inserted a provision in the 2024 GAA, authorizing the Department of Finance to impound supposed excess funds of all government-owned and controlled corporations.

The promised transparency in the budget process will also be closely watched. While there have been improvements, more reforms and better implementation are needed.

Alex Eala pulled off another come-from-behind stunner at the Mubadala DC Open early morning today, July 30, 2026, Manila time. Fresh off knocking out Olympic gold medalist Qinwen Zheng the night before, Alex went up against Leylah Fernandez, who, by the way, was the defending champ.

The first set was smooth sailing. Alex took it 6-2 in just 35 minutes and had total control. But then Set 2 hit, and things got ugly fast. Leylah came out firing, Alex's rhythm slipped, and before you knew it, Alex was down 1-5.

We honestly thought we were heading straight to a deciding third set. Instead, Alex pulled off a total ghost-mode comeback.

She stayed patient, chipped away at the gap, and won five games in a row to turn a 1-5 disaster into a 6-5 lead. Leylah managed to hold serve to force a tiebreak, but Alex was already completely locked in. She just steamrolled through the tiebreak 7-1 to close out the match in straight sets, 6-2, 7-6 (7-1).

In her post-match chat, Alex mentioned how tricky the wind was and admitted her level dropped in the second set, but she just kept

Taking down the defending champ and back-to-back big names in under 24 hours shows Alex is on an absolute mission right now. So quarterfinals, here she comes! 🇵🇭🎾

'I CAN HIRE A GUNMAN FOR P5,000'

Ganyan kababa ang halagang kinakailangan ng isang indibidwal para kumontrata ng gunman at ipapatay ang isang tao sa Pilipinas, ayon kay Vice Pres. Sara Duterte.

Sa kwento ng bise, ginawa niyang halimbawa ang kanyang mister na may kalaguyo umano at kaya niyang kumuha ng tatapos sa buhay nito sa halagang P5,000.

Sinabi rin ni Duterte na hindi raw biktima ng drug war ang mga iniakyat na kaso sa International Criminal Court (ICC) at posibleng ipinapatay lang.

Memories of Old Manila
Julian Yang Cardenas • 17h •

Filipinos watch one of the last television speeches, Joseph Estrada made as the president of the Philippines as he calls for snap elections in the final days of his administration in January, 2001.

Hours before that, he refused to step down and showed defiance on television.

But it was all to no avail.

Because that same day- Angelo Reyes, his chief of staff and the armed forces of the Philippines withdrew their support for him and pledged their allegiance to then Vice President Gloria Macapagal Arroyo.

Isolated and only religious groups to back him, Estrada left the palace shortly afterwards.

Before interviewing someone—especially the Vice President—about a specific issue, it's the responsibility of the interviewer to provide enough context if it's clear the interviewee is unfamiliar with the particular question.

That's why may mga briefers before press conferences. This is to give everyone the necessary background and ensure informed answers.

Pero yan ang mahirap kung ang nagiinterview ay mas focused sa monetization than responsible journalism. Instead of producing substantive content, they rely on out-of-context questions

Volunteers and parish workers in Medjugorje, Bosnia and Herzegovina, have restored the statue of Our Lady, Queen of Peace, on Apparition Hill the day after it was defaced in an overnight act of vandalism, according to local reports and the Medjugorje parish office.

The attack took place in the early hours of Tuesday, July 28, when black paint was poured across the face, chest, and dress of the statue on Podbrdo (Apparition Hill), and the words "Devil in a skirt" were scrawled on its pedestal. A second statue near the close-by Blue Cross was similarly defaced, and a banner in Polish naming the shrine's six visionaries was left at the site. Surveillance footage also captured a man dousing the outdoor altar of St. James Church with a flammable liquid and setting it on fire; the blaze was quickly extinguished by firefighters.

In response, members of the parish community, the Cenacolo Community, and other volunteers moved swiftly to clean and repair the damaged statues and altar area, allowing the shrine's evening prayer program to continue that same day.

After the restoration was completed, pilgrims and the Cenacolo Community knelt before our Lady to give thanks.

Jul 30, 2026 12:05:39

After the restoration was completed, pilgrims and the Cenacolo Community knelt before our Lady to give thanks.

Bosnian police arrested a 31-year-old Polish national, identified in local media as Bartłomiej Włodzimierz Krakowiak of Kraków, in the village of Cerno near Ljubuški shortly after the incident. He faces charges of damaging or destroying religious property, an offense carrying a sentence of six months to five years under Bosnian law. Bosnian state prosecutors have since taken over the case.

The Medjugorje Parish Office issued a statement calling on the faithful to respond "as Our Lady has been teaching us in Medjugorje for more than 40 years: with prayer, fasting, and forgiveness," adding that "the shrine remains open to all pilgrims". Bishop Petar Palić of Mostar-Duvno also urged Catholics not to let evil "infect us with its own logic."

The vandalism occurred just days ahead of Medjugorje's annual Mladifest Youth Festival, set to draw tens of thousands of pilgrims from August 1–6.

'CEASEFIRE MY FOOT!'

Senator Panfilo "Ping" Lacson took to social media to criticize what he described as declaring #war without the means to sustain it, saying, "Anong uri ng tao ang magde-declare ng giyera, toy gun ang dala, at laway ang bala; pag na-confront ng bomba, magre-request ng ceasefire, pabulong pa?"

Lacson did not identify whom he was referring to in his post.

ANG OFW BILANG TARGET MARKET NG PROPAGANDA

Hindi naglilibot si Sara Duterte sa mga komunidad ng OFWs sa iba't ibang bansa dahil may maayos siyang plataporma. Strategic ang pagpili sa audience. Ang mga Pilipinong nagtatrabaho abroad ay hindi lang basta malayo sa araw-araw na political discourse sa bansa—sila ay mga mamamayang matagal nang may bitbit na hinanakit sa mga institusyon sa Maynila na pinaramdam sa kanilang kailangan nilang lumikas para lang mabuhay.

Sa gitna ng pagod sa night shift, lamig ng ibang bansa, at matinding homesickness, ang Facebook, TikTok, YouTube, at private group chats ang nagiging pangunahing silid-tulugan nila patungo sa Pilipinas. Ang mga screen na ito ang kanilang digital na koneksyon sa tahanan.

Hindi ibig sabihin nito na mahina o madaling utuin ang mga OFW. Ang problema ay ang information environment na sadyang idinisenyo sa paligid nila. Kapag ang propaganda ay nagbalatkayo bilang "balita mula sa bayan" at inihahain ng mga vloggers na nagmumukhang kapamilya sa screen—isang anyo ng parasocial

Jul 30, 2026 12:15:49

vloggers na nagmumukhang kapamilya sa screen—isang anyo ng parasocial relationship—mabilis itong nakakalusot sa depensa ng isang taong naghahanap lang naman ng balita mula sa sariling bansa.

Kapag pare-parehong pages, memes, at forwarded videos ang paulit-ulit na lumalabas sa feed, hindi na kailangang maging kapani-paniwala ang kasinungalingan sa unang tingin. Kailangan lamang itong ulitin hanggang maging pamilyar. At sa politika, ang pamilyar ay madaling mapagkamalang totoo.

Ito ang echo chamber effect: iisang narrative ang umiikot sa saradong espasyo hanggang mawala ang pakiramdam na may ibang bersiyon ng katotohanan. Sinusundan ito ng false consensus—kapag puro pro-Duterte content ang nakikita mo sa iyong feed at puro kaparehong opinyon ang naririnig mo sa mga gathering ng FilCom, madaling isipin na buong overseas diaspora ay ganoon din ang pananaw.

Lalong nagiging epektibo ang operasyon kapag tinuturuan ang supporters na huwag magtiwala sa mainstream media, fact-checkers, at mga institusyon. Hindi lang sila nagbebenta ng sariling kwento; ginawa rin nilang kaaway ang sinumang magtatangkang magwasto nito. Kapag

Jul 30, 2026 12:15:55

hilang kaaway ang sinumang magtatangkang magwasto nito. Kapag pinaniwala ang isang tao na "bias" ang lahat maliban sa content ng sariling kampo, hindi mo na siya kailangang kumbinsihin araw-araw. Kusang magsisilbing sariling kulungan ang kanyang algoritmo.

Diyan pumapasok ang tunay na halaga ng overseas rallies at meet-and-greets. Hindi lang boto ang kinokolekta rito. Gumagawa sila ng visual stagecraft: mga watawat, sigawan, palakpakan, at litrato ng masisikip na bulwagan na ibebenta pabalik sa domestic audience sa Pilipinas bilang patunay ng “worldwide support.” Kahit katiting na bahagi lamang iyon ng milyun-milyong Pilipino abroad, maingat na framing at paulit-ulit na amplification lang ang kailangan para magmukhang buong diaspora ang nakalinya sa likod nila.

Ito ang manufactured consensus: hindi kailangang kontrolin ang buong komunidad. Kailangan lamang kontrolin kung aling bahagi nito ang makikita ng publiko.

Kaya hindi simpleng pangangampanya ang pag-ikot sa OFWs. Isa itong sistematikong eksploytasyon sa informational vulnerability na nalilikha ng distansya, pagod, at kasabikang makakonekta sa bayan. Ang mga migranteng matagal nang ginagamit bilang economic lifeline ng bansa ay

mga migranteng matagal nang ginagamit bilang economic lifeline ng bansa ay ginagawa ring political shield—mga tunay na taong may tunay na sakripisyo, pero ginagawang props at backdrop ng isang manufactured narrative.

Ang masakit, ang mga OFW na nagpapadala ng dolyar at riyal upang panatilihing buhay ang kanilang pamilya at ang gumuho nating ekonomiya ay sinusuklian hindi ng mas maayos na proteksyon at serbisyo, kundi ng weaponized nostalgia. Ginagamit ang kanilang galit at pagmamahal sa bayan upang panatilihin sa kapangyarihan ang mismong sistemang nagpatapon sa kanila sa ibang bansa.

Hindi sila kinakausap bilang mamamayang may sariling pag-iisip. Tinatrato sila bilang captive audience, campaign material, at imported applause.

At kapag ang ilang litrato ng cheering crowds sa abroad ay paulit-ulit na ipinapakitang ebidensya ng suporta ng buong mundo, hindi iyon organic global movement.

Lokal na propaganda lamang iyon na nagpalit ng background—at ang OFW, tulad ng dati, ang muling nagbayad ng pasahe.

OFWs in the Echo Chamber: Sara Duterte’s Global Disinformation Tour
Paikot-ikot si Sara Duterte sa mga OFWs dahil alam niyang malaki ang impluwensiya ng echo chambers na pinapatakbo ng mga vloggers at bloggers na nagsisilbing pangunahing source ng impormasyon ng marami sa kanila. Sa political psychology at media studies, ito ay eksaktong halimbawa ng selective exposure at agenda-setting, kung saan ang iisang narrative na paulit-ulit na ibinobomba ay nagiging parang katotohanan at nagagamit niya para ipakita ang pekeng global support.

The Pacific Ocean is so massive, it covers more area than all of Earth's continents combined. 🌊

If you rotated Earth to face the Pacific, you'd see almost no land at all. Just endless water stretching from Asia to the Americas, from the Arctic all the way down to Antarctica.

It's the largest and deepest ocean on Earth — covering about 165 million square kilometers and holding more than half of all the water on the planet's surface.

We call it Earth, but maybe we should've called it Ocean. 💙

ON THIS DAY | 30 JULY 2019

Pitong (7) taon na ang nakaraan, isang malungkot na balita ang ating natanggap.

Opisyal na inanunsyo ng MOR 101.9 (**MORe - Manila**), sa pamamagitan ni DJ Popoy (o **Kuya Poy** ng True FM ngayon) sa programang **Dear MOR**, ang pagpanaw ng isa sa mga longtime radio jock nito at host na si BabyGirl Jasmin.

Si DJ Jasmin o si Jasmin Basar sa tunay na buhay ay tuluyan nang namaalam noong gabi ng July 29, 2019 sa edad na 35 matapos ang mahabang panahon ng kanyang laban sa end stage ng chronic kidney disease. Naging bahagi si DJ Jasmin ng MOR (dating Tambayan 101.9) simula 2009 hanggang sa kanyang pagpanaw, at nagsilbing brainchild niya ang kauna-unahang FM radio drama na Dear Jasmin, na kilala rin bilang Dear MOR, na sa kasalukuyan ay patuloy na nagbibigay ng mga kwento ng mga adik sa pag-ibig at kwento ng buhay sa online at digital platforms.

Hinatid rin sa kanyang huling hantungan si DJ Jasmin noong hapon ng July 30, alinsunod sa Muslim rites.

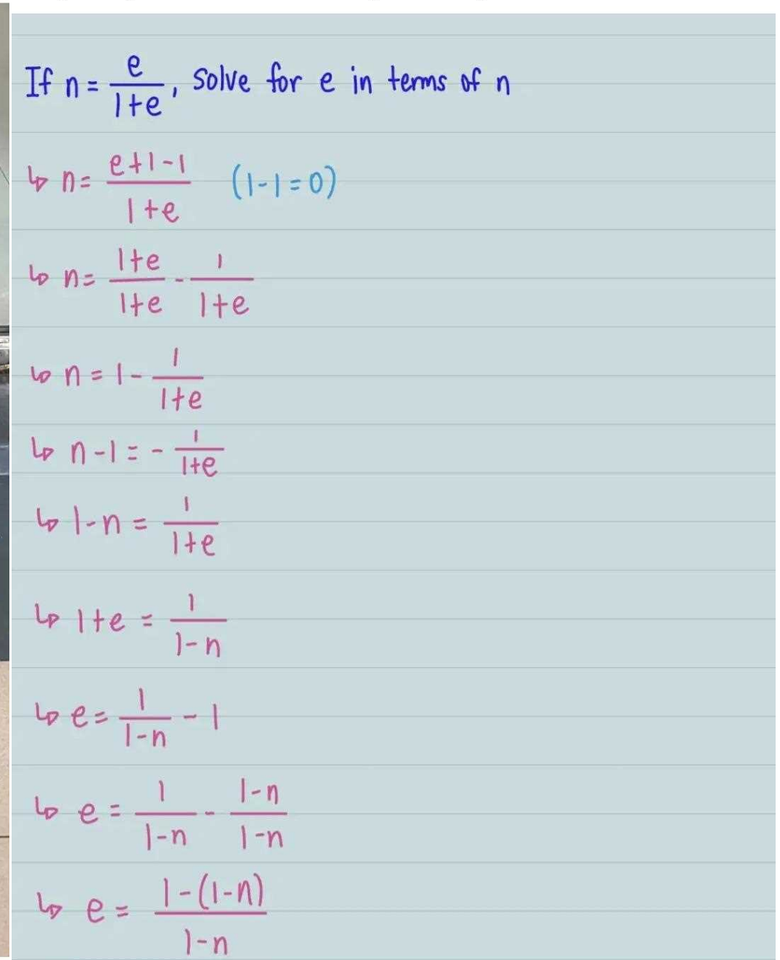
Geotech - Prove that the void ratio e is equal to n / (1 - n), where n is the porosity of soil



If $n = \frac{e}{1+e}$, solve for e in terms of n
$\therefore n = \frac{e+1-1}{1+e}$ $(1-1=0)$
$\therefore n = \frac{1+e}{1+e} - \frac{1}{1+e}$
$\therefore n = 1 - \frac{1}{1+e}$
$\therefore n-1 = -\frac{1}{1+e}$
$\therefore 1-n = \frac{1}{1+e}$
$\therefore 1+e = \frac{1}{1-n}$
$\therefore e = \frac{1}{1-n} - 1$
$\therefore e = \frac{1}{1-n} - \frac{1-n}{1-n}$
$\therefore e = \frac{1-(1-n)}{1-n}$

Peru's new president, Keiko Fujimori, took the presidential oath before a crucifix and the Holy Bible during her inauguration ceremony, a gesture that drew attention in a nation where Christianity continues to play an important role in public life and culture.

The ceremony marked the beginning of Fujimori's presidency and reflected a longstanding tradition in many Latin American countries, where public officials often invoke God's guidance as they assume office. Supporters viewed the moment as a public acknowledgment of faith and responsibility at the start of a new administration.

Everything that we actually buy, from our clothes, tools and capital goods, we actually import. Why can't we start doing our own industrial manufacturing here in the Philippines? And whatever land that we have, like the New Clark City, we could actually invest it toward that end. The problem with Pax Silica is that we are being dragged into this AI race that the U.S. wants because they have problems with their sourcing of critical minerals and rare earths that China actually controls now.

Happy birthday Daddy Sen **Rodante Marcoleta**! 🥳🎈 Pardon me for the photo, this is our last picture together from our recent Japan trip donning a Kimono. The costume you are wearing here is emblematic of what you represent in today's politics. Like a noble Samurai Warrior, you embody the code of bushido. Dauntless, chivalrous in the face of adversary, you chose the difficult but moral choice and even sacrificed your personal liberty for the sake of truth-- while many opted to remain complicit or silent for political convenience and survival. You faced the made up charges against you with your head held high, knowing that the cases are baseless in law and in fact, and we know that they put you behind bars because they couldn't fight a fair fight. Stay strong daddy. It wont be for long. History will be kinder to you. The reign of evil is not forever. I will be strong for you, even if it means that I'd be The Last Samurai standing. I will be here for you, fighting. I love you daddy.

PINASLANG ang 85-anyos na si Emilia Aquino matapos pasukin ng hindi pa nakikilalang suspek ang kanyang bahay sa Barangay Poblacion, Mangaldan.

Ayon sa paunang ulat, nag-iisa lamang ang biktima nang mangyari ang insidente. Hinihinalang hinampas siya ng kahoy na dos por dos na narekober sa crime scene.

Isa sa tinitingnang motibo ng mga awtoridad ang pagnanakaw dahil kabilang umano si Aquino sa mga nakatanggap ng P10,000 cash gift ilang araw bago ang insidente.

Patuloy ang imbestigasyon ng pulisya upang matukoy ang suspek at mabigyan ng hustisya ang pagkamatay ni Lola Emilia.

Sass Rogando Sasot

CORRECTION

This is to correct my July 22, 2026 post regarding NBI Director Melvin Matibag and Congresswoman Ann Marie Matibag.

That post was about the 26023 Baldwin Place in California that is listed at homes.com, a major U.S. online residential real estate marketplace owned by CoStar Group. Homes.com listed it as owned by a couple named "Melvin Matibag and Anna Marie Matibag."

Upon crossverifying with other public records in the United States, these two people are not NBI Director Melvin Matibag and Congresswoman Anna Marie Matibag.

The Melvin Matibag and Anna Marie Matibag owners of 26023 Baldwin Place in California just happened to be coincidentally named after the the NBI Director and the Congressman. The Melvin Matibag owner of 26023 Baldwin Place in California is Melvin Benjoso Matibag (while the NBI Director is Melvin Alvarez Matibag); while the Anna Marie Matibag owner is Anna Marie Laman Matibag (while the Congresswoman is Ann Lourdes Garcia Matibag).

I apologize to NBI Director Melvin Matibag and Congresswoman Anna Marie Laman Matibag for this error. The original post has already been retracted.

POV: NASABIHAN KA NG CUTE NI CRUSH 😍🥹

Senate President Sherwin Gatchalian sparked "kilig" from "WinRi" supporters after leaving a brief comment on Senator Risa Hontiveros' throwback post recalling her time as a scholar at Sophia University's Ichigaya Campus in Japan.

In her post on Wednesday, Hontiveros reflected on her years in Japan, saying her support for the Senate resolution commemorating the 70th anniversary of the normalization of diplomatic relations between the Philippines and Japan stemmed from the deep connection she developed with the country during her scholarship.

During the Senate session, colleagues teased Gatchalian about his "the one" possibly being Japanese.

"Ang cute naman," Gatchalian said in the comments section. (Instagram/Risa Hontiveros)

Hidden among the mountains of southern Colombia stands one of the most extraordinary Marian shrines in the world. Unlike most sacred images that were painted by artists, the image of Our Lady of Las Lajas appears to be mysteriously embedded within the face of a rock itself. For more than two centuries, historians, scientists, and pilgrims have marveled at an image that continues to defy a complete natural explanation.

The story begins in 1754 with an Indigenous woman named María Mueses de Quiñones and her young daughter, Rosa, who had been deaf and mute since birth. While traveling through the rugged canyon known as Las Lajas near present -day Ipiales, Colombia, María stopped to rest beside a cave. The area was feared by many because of stories that it was haunted.

As Rosa wandered near the rocky wall, something astonishing happened.

The little girl suddenly cried out:

"Mother, look! The Mestiza has come down from the rock with a little boy in her arms, and two little mestizos beside her."

little mestizos beside her."

María was stunned not because of what Rosa claimed to see, but because this was the first time her daughter had ever spoken. María herself could not see the mysterious figures, so she hurried away in fear.

Days later, Rosa disappeared from home. Desperately searching for her, María returned to the cave and found her daughter joyfully interacting with a beautiful Lady and the Child Jesus. María herself was then granted the grace of seeing the Blessed Virgin Mary.

Not long afterward, tragedy struck when Rosa became gravely ill and died. Filled with grief, María carried her daughter's body back to the cave and begged the Blessed Virgin for help. According to the longstanding tradition, Rosa was miraculously restored to life through the intercession of the Blessed Virgin.

News of these extraordinary events spread rapidly. When people gathered at the cave, they discovered something even more remarkable.

On the rock wall appeared a magnificent image of the Blessed Virgin Mary holding the Child Jesus, accompanied by St. Francis of Assisi and St. Dominic. The image was not painted on the surface like a mural. Instead, it seemed to be part of the rock itself.

surface like a mural. Instead, it seemed to be part of the rock itself.

Modern examinations have found that the colors penetrate into the stone rather than forming a layer of paint on its surface. Researchers have not reached a universally accepted explanation for how such an image came to exist naturally or artificially, which has only deepened the mystery surrounding the shrine.

Today, the Basilica of Our Lady of Las Lajas has been built around this miraculous image, drawing countless pilgrims from around the world. It is considered one of the most beautiful churches ever constructed and remains one of Latin America's greatest Marian pilgrimage sites.

For Catholics, the true significance of Las Lajas is not simply an unexplained image, but the loving care of the Blessed Virgin Mary, who continually points souls to her Son, Jesus Christ. The image reminds believers of Mary's maternal love and her constant invitation to trust in God's mercy.

While private miracles and Marian apparitions are not essential articles of Catholic faith, the Church permits the faithful to believe in approved devotions such as Our Lady of Las Lajas. They serve as signs that encourage deeper faith, greater conversion, and a closer relationship with Christ.

As Mary herself reminds us throughout salvation history, her mission has always been the same: to lead every soul to Jesus.

"**I CAN HIRE A GUNMAN FOR ₱5,000**"

Gin-ako ni Vice President Sara Duterte sa 'Free Duterte Now' rally sa atubang sang International Criminal Court (ICC) sa The Hague, Netherlands kon ano kahapos mag-hire sang gunman sa Pilipinas sa balor nga ₱5,000 lamang.

Ginhalimbawa ni VP Sara nga kon may kabit ukon iban nga babayi ang iya bana nga si Atty. Mans Carpio, sarangan niya nga may hire sang gunman agud ipapatay ini.

Sa pagharap ni Vice President Sara Duterte sa mga Pilipino sa The Hague, tinawanan lang nito ang pag-viral ng “no comment” niya sa issue ng Pax Silica habang pinasasalamatan ang pro-Duterte content creator na si Alvin & Tourism.

“And Alvin, na nawalan ng tulog dahil sa Pax Silica. Alvin, if they cannot respect a no comment, you should not lose sleep over it. That is their problem. That is not your problem. Dapat sila ang ma-stress sa’yo, bakit ikaw ang naiistress sa kanila?” saad niya nitong July 29, 2026.

Sa nag-viral na interview, makikitang nagtataka ang bise tungkol sa isyu ng AI hub na siya namang nilinaw ni Alvin.

Gin-ako sang anay magkahagugma nga sanday Marco Gallo kag Heaven Peralejo nga nahidlaw sila sa isa kag isa.

Sa isa ka event, una nga gin-ako ni Marco nga nahidlaw ini kay Heaven kag sang ulihi, ginpamangkot man niya ang iya anay nobya.

Suno sa aktres, nahidlaw man ini sa actor ilabi na nga pila sila ka tuig nga nagnobyahanay.

Dugang pa sang duha, maayo ang ila relasyon subong.

Madumduman nga nagbulay sanday Marco kag Heaven sang 2025.

HONEYCOMB-LIKE TERRAIN IN MARS

NASA revealed a 360-degree view of a Martian valley nicknamed “Valle Grande" that shows a terrain with honeycomb-like textures called polygonal fractures.

"The [Curiosity] mission has spotted small patches of these geometric shapes several times before, but nothing at the scale discovered in Valle Grande," NASA wrote in its post.

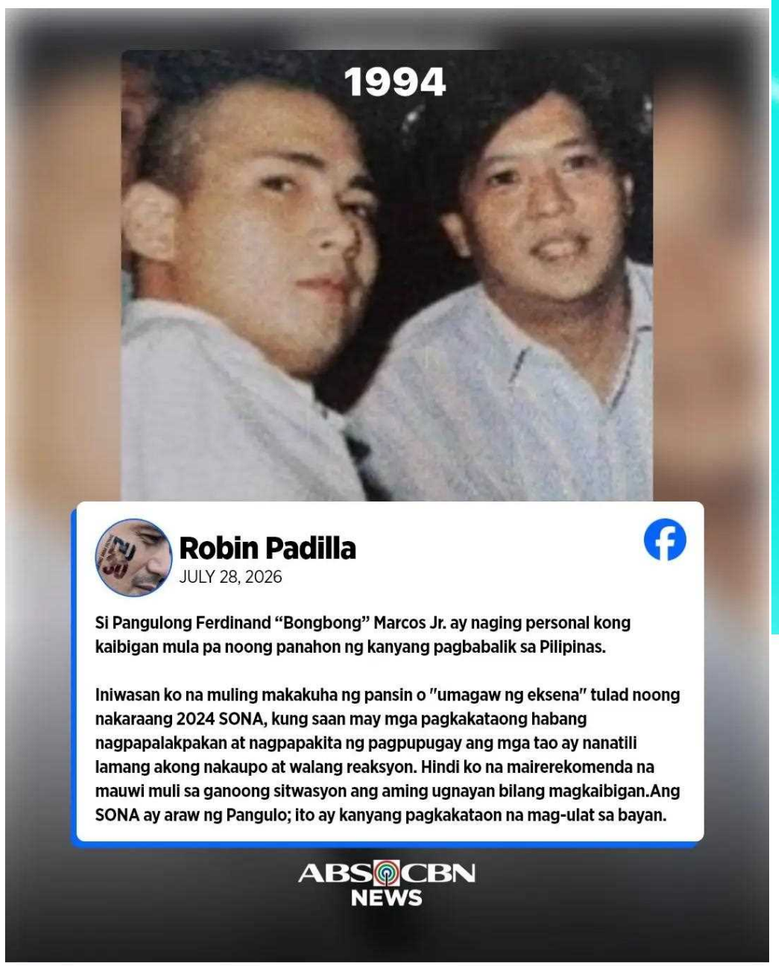
Nagpaliwanag si Senador Robin Padilla sa hindi niya pagdalo sa ikalimang SONA ni Pangulong Ferdinand Marcos, Jr.



1994
Robin Padilla
JULY 28, 2026
Si Pangulong Ferdinand "Bongbong" Marcos Jr. ay naging personal kong kaibigan mula pa noong panahon ng kanyang pagbabalik sa Pilipinas.
Iniwasan ko na muling makakuha ng pansin o "umagaw ng eksena" tulad noong nakaraang 2024 SONA, kung saan may mga pagkakataong habang nagpapalakpakan at nagpapakita ng pagpupugay ang mga tao ay nanatili lamang akong nakaupo at walang reaksyon. Hindi ko na mairerekomenda na mauwi muli sa ganoong sitwasyon ang aming ugnayan bilang magkaibigan.Ang SONA ay araw ng Pangulo; ito ay kanyang pagkakataon na mag-ulat sa bayan.

Suri Cruise officially has a new name, Suri Noelle. ET confirms the 20-year-old college student legally changed her name by dropping dad Tom Cruise's surname in favor of mom Katie Holmes' middle name, Noelle. Suri and Tom have seemingly been estranged for years, following the couple's 2012 divorce. Back in 2024, Suri used her current name in her high school graduation pamphlet.

SARA BLASTS ABANTE OVER 'MISLEADING' ICC VIDEO

READ: Vice President Sara Duterte on Thursday publicly rebuked tabloid newspaper Abante, accusing the news organization of posting a "deliberately spliced and misleading" video of her remarks outside the International Criminal Court (ICC) detention facility in The Hague and sacrificing context for online engagement.

In a statement, Duterte took issue with a social media post carrying the caption, "I CAN HIRE A GUNMAN FOR ₱5,000," saying the publication extracted a single line from her 29 July speech while omitting the explanation that immediately followed. She argued that the edited clip created a "false and misleading impression" of her remarks and distorted both their intent and substance.

STATEMENT

I call the attention of the editorial and social media departments of Abante regarding the publication, on 29 July 2026, of a deliberately spliced and misleading video of my speech on the news organization's official social media platforms.

In the published material, accompanied by the caption, "I CAN HIRE A GUNMAN FOR ₱5,000," Abante extracted and isolated a single statement from my speech delivered outside the International Criminal Court (ICC) detention facility in The Hague on 29 July 2026.

The circulating post is a clear example of a statement being taken out of context and presented in a misleading manner to generate public outrage and online engagement at the expense of accuracy and responsible journalism.

By isolating a single sentence from my remarks without presenting the explanation that immediately followed, the

I call on Abante to uphold the highest standards of responsible journalism by ensuring that its reporting is fair, contextual, and accurate, and by refraining from publishing materials that, through selective editing or sensational presentation, risk misleading the Filipino public.

The Filipino people deserve journalism that informs truthfully, reports responsibly, and presents facts in their proper context. Public discourse is strengthened not by sensationalism, but by integrity, fairness, and respect for the truth.

Thank you.

29 July 2026, as I celebrate my 38th birthday, gusto ko lang po magpasalamat sa lahat ng well wishes at show of support from all of you, my fellow man.

I am deeply thankful sa oras na binibigay ninyo sa content ko, and deeply humbled with the community we have built so far—because of these, I am able to have a very unique practice of law as a public interest lawyer-educator. Nakakapagod, pero very rewarding na field of practice.

Lastly, simple lang handa namin sa bahay kasi "bongga" naman daw yung gift ng misis ko sa akin. 🙂

On a serious note, we decided to buy a 2nd car kasi growing family kami eh—and mag school na rin ang kids soon. Also, ayaw ko na rin magbayad ng gasolina lol, kaya nag PHEV na kami.

Anyway, God bless you all and may we all win in life, one way or another, my fellow Taong Bayan ka-SeeMore! 🙏

Respectfully,

Atty. Neil Abayon

Director Coco Martin, kindly use DIAMOND SISME, also known as CARNITICS WORM, a fictional species of carnivorous worm-like creatures that appears in the 2005 film KING KONG, throughout all scenes of SIGABO so the audiences won't be bored.
